Updates & Obstacles Analysis

The screenshot shows the homepage of the Trade Obstacles Alert website for Mauritius. The URL is www.tradeobstacles.org/mauritius/Home.aspx. The page features the Mauritian coat of arms and the text "TRADE OBSTACLES ALERT BETA IDENTIFYING AND TACKLING OBSTACLES TO TRADE - MAURITIUS". There are language options for English, Français, and Español, along with a notification bell icon and a globe. A green navigation bar contains links for "ABOUT", "REPORT AN OBSTACLE", "OBSTACLES ANALYSIS", "REFERENCE MATERIALS", and "LOG IN". The main content area includes a large image of a port with a banner that says "LEARN HOW TO IDENTIFY TRADE OBSTACLES" and a "READ MORE" button. To the right, there are sections for "Latest obstacles" (dated 01/06/2015) and "Statistics" (7 Obstacles registered, 2 Obstacles solved, 5 Obstacles ongoing resolution). At the bottom, there are three call-to-action boxes: "Report an obstacle", "Set up your alerts", and "View the reports".

# Reporting a Trade Obstacle

## Context of the Obstacle

- When and Where?
- Is it a recurring problem?

## Type of Obstacle

- Stringent regulation, administrative burdens, transparency issues, discriminating behaviour of officials, time constraints, high costs amongst others

## Affected Product & Additional Information

### Report a new obstacle

Please, fill in the form below referring to only one obstacle and one product at a time (if the obstacle affects multiple products, please identify only the main product affected).

1. Context of the obstacle      2. Type of obstacle      3. Affected product

4. Additional information

**You faced an obstacle when \***

Importing  
 Exporting

**Towards (from) which country? \***

Please select ▼

**Describe the context of the obstacle ⓘ \***

Describe the trade obstacle context

# What Happens after Submission of the Report?

## Validation

- The National Focal Point and Chair of the National Monitoring Committee validate the obstacle jointly.

## Obstacle Published on TOAM Platform

- After validation, the obstacle becomes public but details of the company remain confidential at all stages of the process.

## Request for Information sent to Relevant Agencies

- The National Focal Point then sends the report to the relevant agencies and requests for clarifications/action to be taken.

# Status Updates

Obstacles status	Accessibility	Description	Colour code
New	Confidential (NFP and NMC)	The obstacle report has been submitted by the registered user and has to be reviewed by the NFP.	
Under review	Confidential (NFP and NMC)	The obstacle report has been reviewed by the NFP but further details are needed in order to validate it.	
Not valid	Confidential (NFP and NMC)	The obstacle report has been reviewed and rejected by the NFP because its content is inappropriate or the problem reported does not correspond to an obstacle as defined in the TOA platform.	
On-going resolution	Public	The obstacle report has been reviewed and validated by the NFP. The obstacle has been communicated to the relevant agencies.	
Solved	Public	The obstacle has been removed by the relevant agencies.	
On-going resolution (Special Case)	Public	The obstacle cannot be removed in the short term as it represents a special case. Discussions on how to solve the obstacle will continue within the NMC.	

# Online Updates Increase Transparency

## Report's updates

07/08/2015 **New**

22/09/2015 **Ongoing resolution <14d** Update - Public [Details](#)

Dear User, Thank you for using the TOAM platform. The reported trade obstacle has been validated. We have sent details of the problem to the relevant agency and we shall keep you updated on the progress made to resolve this issue. Best Regards, The National Focal Point

22/09/2015 **Ongoing resolution <14d** Request for info (Valid) - Public [Details](#)

**Message sent by the NFP on 22/09/2015**

Dear Sir, Please find attached a reported trade obstacle falling under the purview of your Agency. We would be grateful if the necessary actions can be taken to resolve this issue. Relying on your usual collaboration. Thanks and Best Regards, The National Focal Point

**Response from the competent agency on 30/09/2015**

Thank you for your query. Please note that the Mauritius Standards Bureau has a documented set of procedures with regards to GN No. 43 of 1994 - Toys (Safety) Regulations 1994; the information is accessible online on the MSB Website: [msb.intnet.mu/English/Documents/MSB/update2015/Procedure%20for%20Toys.doc](http://msb.intnet.mu/English/Documents/MSB/update2015/Procedure%20for%20Toys.doc)

30/09/2015 **Solved** Update - Public [Details](#)

Dear User, According to the new procedures at the the Mauritius Standards Bureau (MSB), importers of toys are no longer required to submit applications for 'Certificate of Conformity' through the Consumer Affairs Unit (CAU). They can now apply directly to the MSB. As indicated in the reply above, the new guidelines are available on the website of the MSB. Best Regards, The National Focal Point

# Other Useful Resources

The screenshot displays the MCCI website interface. At the top, a green navigation bar contains the following menu items: ABOUT, REPORT AN OBSTACLE, OBSTACLES ANALYSIS, REFERENCE MATERIALS, and MY ACCOUNT. A dropdown menu is open under 'REFERENCE MATERIALS', listing: User guide, Trade obstacles classification, FAQ, News and documents, Useful links, and Visit the demo site. Below the navigation is a large banner for 'JOIN THE TRADE OBSTACLES ALERT MECHANISM' with a 'READ MORE' button. The main content area is divided into three columns: 'Report an obstacle' (with a pencil icon), 'Set up your alerts' (with an envelope icon), and 'View the reports' (with a magnifying glass icon). On the right side, there are sections for 'Latest obstacles' (dated 09/10/2015), 'Statistics' (showing 10 registered, 1 solved, and 9 ongoing obstacles), and 'News & documents' (dated 12/10/2015, featuring an article about the E-Procurement in the Public Sector System (e-PS)).
