

MultiEdge Consultancy Services Ltd (MCSL) is a team of highly experienced and qualified professionals working in partnership with businesses in Mauritius and Africa. MCSL also provides a bouquet of consultancy services for both local and foreign companies.

Their professional team carries extensive experience in corporate finance, SME finance, corporate financial restructuring, company valuation, project development/implementation, and business facilitations. The team can also diagnose ailing companies and provide intensive care/reengineering support up to turn around status. Their partners also have experience in handling exceptional tax matters, amongst others.

MCSL is offering 15% discount on the normal price which is based on a case to case basis.
