

## **Offer: The Talent Factory**

The Talent Factory Ltd can help SMEs & start-ups think about their communication and their branding from a strategic point of view. It can help them develop basic marketing communication tools such as flyers, newsletters, website, social media amongst others as well as reach the media for enhanced visibility.

Through business networking, The Talent Factory team can help newcomers and emerging entrepreneurs join networks and meet useful business contacts.

**Talent Factory can offer you a package as from Rs. 5000 for all the services mentioned above.**
