- c) to gradually eliminate hindrances and restrictions on trade in goods;
- d) to contribute, by the removal of barriers to trade, to the harmonious development and expansion of world trade; and
- e) to provide fair conditions for competition in trade between the Parties.

ARTICLE 3

Customs Unions and Free Trade Areas

1. The Parties, without prejudice to the rights and obligations provided for in this Agreement, preserve the right to maintain or establish customs unions, free trade areas or other arrangements with third countries.
2. Any Party, in case the rights and obligations provided for under this Agreement are being affected, may request to hold consultations within the Joint Committee concerning agreements establishing or adjusting customs unions or free trade areas and, where required, on other major issues related to the Parties' respective trade policies with third countries.

CHAPTER II

MARKET ACCESS FOR GOODS

SECTION I

COMMON PROVISIONS

ARTICLE 4

Classification and Valuation of Goods

1. The classification of goods in trade between the Parties shall be that set out in each Party's respective tariff nomenclature in conformity with the Harmonized Commodity Description and Coding System (hereinafter referred to as "the Harmonized System" or "HS").
2. For the purposes of determining the customs value of goods traded between the Parties, provisions of Part I of the Agreement on Implementation of Article VII of the GATT 1994, as may be amended, shall apply *mutatis mutandis*.

ARTICLE 5

Customs Duty

A customs duty includes any duty or charge of any kind imposed in connection with the importation or exportation of a good, including any form of surtax or surcharge in connection with such importation or exportation, but does not include any:

- a) internal taxes or other internal charges imposed consistently with Article III of GATT 1994;
- b) antidumping or countervailing duties applied consistently with Article 20 and safeguard measures applied in accordance with Article 19 and 21; and
- c) fees or other charges imposed consistently with Article 6.

ARTICLE 6

Fees and Other Charges

Each Party shall ensure, in accordance with Article VIII of the GATT 1994 and its interpretative notes, that all fees and charges of whatever character (other than customs duties, charges equivalent to an internal tax or other internal charges, applied consistently with Article III paragraph 2 of the GATT 1994, and antidumping and countervailing duties) imposed on or in connection with importation or exportation are limited in amount to the approximate cost of services rendered and do not represent an indirect protection to domestic goods or a taxation of imports or exports for fiscal purposes.

ARTICLE 7
Basic Duties

1. For each product, the basic duty to which successive reductions set out in this Agreement are to be applied shall be the Most Favored Nation (MFN) duty that was in force in the Parties on the date of entry into force of this Agreement, unless otherwise specified in Annexes referred to in Article 12 and Article 16.
2. If, after the entry into force of this Agreement, any tariff reduction is applied on an erga omnes basis, in particular, reductions resulting from the tariff negotiations in the WTO, such reduced duties shall replace the basic duties referred to in paragraph 1 as from that date when such reductions are applied.
3. The Parties shall communicate to each other their respective basic duties.

ARTICLE 8
Re-export and Serious Shortage

2. In the selection of measures, priority must be given to those which least disturb the functioning of the arrangements in this Agreement. Such measures shall not be applied in a manner which would constitute a means of arbitrary or unjustifiable discrimination where the same conditions prevail, or a disguised restriction on trade, and shall be eliminated when the conditions no longer justify their maintenance. In addition, the measures which may be adopted pursuant to paragraph 1(c) shall not operate to increase the exports of or the protection afforded to the domestic processing industry concerned, and shall not depart from the provisions of this Agreement relating to non-discrimination.
3. Before taking the measures provided for in paragraph 1, or as soon as possible in cases to which paragraph 4 applies, the Party intending to take the measures shall supply the Joint Committee with all relevant information, with a view to

seeking a solution acceptable to the Parties. The Parties within the Joint Committee may agree on any means needed to put an end to the difficulties. If no agreement is reached within 30 days of the matter being referred to the Joint Committee, the exporting Party may apply measures under this Article on the exportation of the product concerned.

4. Where exceptional and critical circumstances requiring immediate action make prior information or examination impossible, the Party intending to take the measures may apply forthwith the precautionary measures necessary to deal with the situation and shall inform the other Party immediately thereof.
5. Any measures applied pursuant to this Article shall be immediately notified to the Joint Committee and shall be the subject of periodic consultations within that body, particularly with a view to establishing a timetable for their elimination as soon as circumstances permit.

Measures must be taken in accordance with the procedures laid down in paragraphs 6 to 9.
