

## **Offer: The Mauritius Union Assurance Cy Ltd**

Our main activities are centered on the provision of both short term (through the Mauritius Union General Insurance) and long-term insurance products (through La Prudence Life Insurance). Moreover, we also give housing, educational and vehicle loans.

The National Mutual Fund Ltd (NMF) offers members of the public the possibility to invest wisely under our close and careful monitoring into two exclusive collective investment schemes.

### **We also have two other subsidiaries.**

Feber Associates (wholly owned by us) was the first professional pension fund management company set up in Mauritius in 1985, and assists in the implementation and management of pension funds for enterprises.

As for Associated Brokers Limited (which we own at 80%), the company trades as an equity stockbroker.

**The offer exclusively for MCCI SME Members is a 15% discount on our SME pack which provides coverage for the following aspects of your business: Motor Insurance, Medicaid Health Insurance, Personal Accident, Employers' Liability, Public Liability, and Fire & Allied Perils Cover.**

Please visit our website through this link for more information on the offer:
