

# The Investors and Entrepreneurs' MarketPlace for the Indian Ocean/Africa

---

## ABOUT US

---

It all began with the meeting of think-alike entrepreneurs based in Mauritius: enthusiastic, from different cultural origins and professional backgrounds. We were brought together around the same observation: the lack of a centralised regional marketplace for investors and entrepreneurs, looking for transactional opportunities, finance and capital-intensive development solutions. This common vision contributed to the creation of InvestPlace.

# INVESTPLACE IS...

---

An online, unique and secured marketplace, framed by Mergers & Acquisitions' experts.

On-going information on the Indian Ocean et Africa

A company and investment professional team, 100% dedicated and passionate

A charter, a methodology and a label , guarantee of trust and credibility.

A provision of quality and audited information

A sectoral and geographical, carefully selected experts' directory.

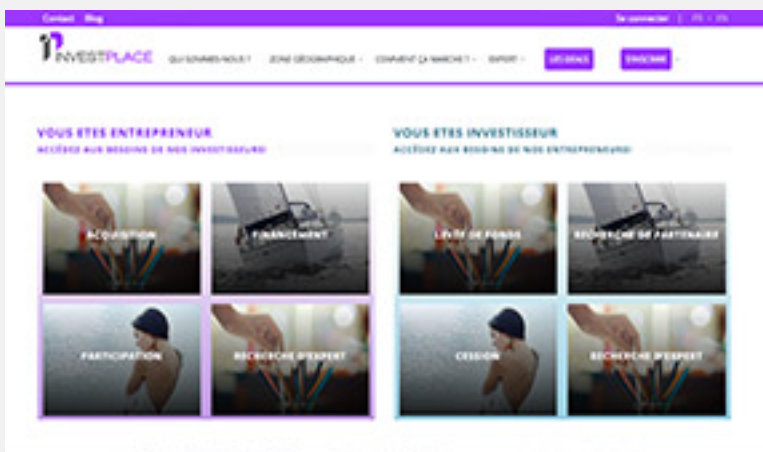

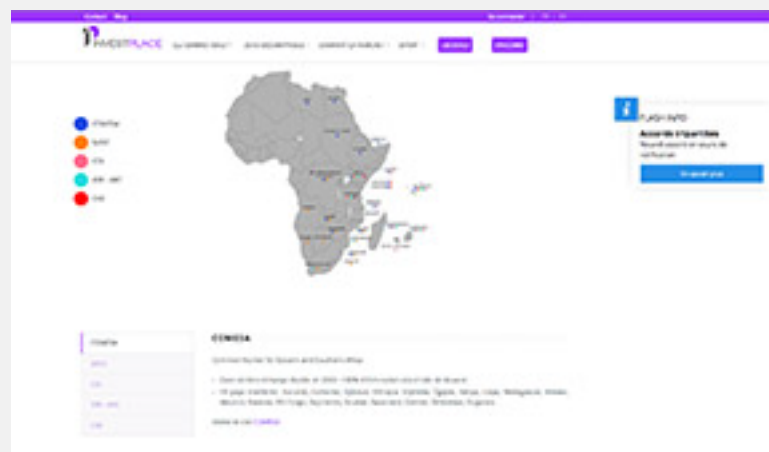

*If I were to summarize in a few words the service delivered by InvestPlace's team : great professionalism, listening to the client's needs, honorable code of ethic, proactive, reassuring and good advice*

Jean François CAPITTE, Director IREDACWEB.
