Technology Needs – Form

Title	A clear title that conveys the nature of the technology sought
Mandatory	
1-255 characters	

Technology Categories	Be aware to that a search may be conducted using keywords alone
Mandatory, select	

MRUTN Reference No	Unique identifier
Assigned by MCCI	

Date of Submission of the Request:

Deadline to submit Responses:

Entity Profile (requesting company):

Entity		Contact Person	
City		Position	
Country		Contact Person Email	
Street		Telephone	
Postal Code		Fax	
URL		General Email	
Year established			

Type and size of entity *Select 1 option only*	☐ Industry SME <20 employees	☐ Multinational enterprise industry
	☐ Industry SME 20-49 employees	☐ Inventor
	☐ Industry SME 50-249 employees	☐ R&D institution
	☐ Industry 250 – 499 employees	☐ University
	☐ Industry >500 employees	☐ Other

Turnover *Select 1 option only*	☐ < 2 million RS
	☐ 2 - 10 million RS
	☐ 10 - 50 million RS
	☐ 50 million -2 Billion RS
	☐ >2 Billion RS

Already engaged in trans-national cooperation?	☐ Yes	☐ No
Experience in trans-national cooperation		
Certification Standards		
Languages Spoken		

Summary of the Technology Need	*Provide a short summary of the request*
Mandatory *1-500 characters*	

Background and Description	*Provide the background and a Description of the request information or a short introductory text:* *Useful information that was delivered by the potential receiver in the meeting around the product/area that wants to be created or improved.*
Mandatory *100-4000 characters*	

Technology Specification	*Technology Specification or Expertise Sought:* *What does the technology need to do (specifically)?* *What are the cost requirements (e.g. maximum acceptable cost per unit for using the technology)* *Are there specific dimensions requirements (size, shape, weight, etc.)* *Does the required technology need to comply with standards or be certified?* *What kind of expertise is required?*
Mandatory *100-4000 characters*	

Further Information regarding technical performance	*Provide additional information that might help a prospective technology provider to judge the requirements of the technology, for example performance parameters or operational limits.*
Optional *50-2000 characters*	

Pictures	*Add maximum 5 pictures, max 4MB each, max 50 characters for the file name including blank space. Also include a brief caption/explanation for each picture.*
.jpg, .jpeg or .gif	

Application Domain(s)	*What sector or sectors is the solution targeting. Goal is to link with technologies that could cover the applications identified.*
Mandatory <2000 char	

Application/ Market Keywords	*Be aware to that a search may be conducted using keywords alone*
Mandatory/ select	

Partner Specification	*Type and Role of Partner Sought:*
Type of partner sought	
specific area of activity of the partner	
task to be performed by the partner	

MCCI comments:	
1 to 500 characters	

Public form *Edited by MCCI and agreed for publication by the entity submitting the Need:*	
Title *1 to 255 characters*	
Functional Description *Max 1000 characters*
