## THE EXHIBITION

The central hub of the ICC WCF World Chambers Congress shall be Hall 5 of the Lingotto Fiere Convention and Exhibition Center. Our 2,500 square metres of exhibition space will provide the perfect forum to showcase and promote your activities, business projects, as well as your products and services.

Hall 5 will act as the entry point for all Congress delegates, with registration and tour desks available upon arrival through its main doors. To enhance your exposure, this modern and versatile venue will also be housing the speed networking sessions, lunches and coffee breaks.

Easily reachable with just a one minute walk from the main Congress meeting rooms, the Congress' exhibition area will be alive with networking, while also providing delegates with a space to relax and recharge.

## REASONS TO PARTICIPATE

1

**Promote** your brand, products, services, and initiatives at a national and international level, to delegates from more than 120 nations.

2

**Widen** your network by connecting with companies and organizations from all around the world.

3

**Develop** concrete business opportunities through the speed networking session programme.

The exhibition area is ideal for chambers of commerce and their federations; national and international business associations; multi-nationals, companies and SMEs; intergovernmental organizations, national trade promotion organization; financial institutions and professional services providers.

Don't miss this opportunity to market your organization to the world!

## LINGOTTO FIERE

The Lingotto Fiere complex will be our chosen location for the 2015 Congress. It is one of Torino's shining examples of industrial redevelopment. The renovation project of the first FIAT car production plant by the renowned architect Renzo Piano, has managed to convert Lingotto in one of the largest multifunctional centre in Europe.

Lingotto Fiere provides vast spaces and the most advanced structures and services, the best technical and technological facilities, offered with efficiency for your comfort.
